- 6.4 The Employee's performance will be measured in terms of contributions to the strategic objectives and strategies set out in the Employer's IDP.
- 6.5 The Annual Performance Appraisal will involve:
- 6.5.1 Assessment of the achievement of results as outlined in the Performance Plan
- (a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
 - (b) Actuals are supplied for KPIs and Activities under each KPA as part of the Institutional Assessment. Based on the Target for an activity or KPI, over or under performance are calculated and converted to the 1-5 point scale. These scores are carried over to the applicable employee's performance plan. During assessment, the employee has a chance to submit evidence of performance.
 - (c) The applicable assessment rating calculator are used to calculate a final KPA score.
- 6.5.2 Assessment of the competencies
- (a) Each competency should be assessed according to the extent to which the specified standards have been met.
 - (b) An indicative rating on the five-point scale should be provided for each competency.
 - (c) This rating should be multiplied by the weighting given to each competency during the contracting process, to provide a score.
 - (d) The applicable assessment rating calculator is then used to calculate a final competency score.
- 6.5.3 Overall rating
- An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcomes of the various weighted ratings contained in the Performance Plan which represents the outcome of the performance appraisal.
- 6.6 The assessment of the performance of the Employee will be based on the following rating scale for KPAs and Competency requirements:

Rating	Terminology	Description
5	Outstanding Performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the Performance Agreement and Performance Plan and maintained this in all areas of responsibility throughout the year.
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.
3	Performance fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the Performance Agreement and Performance Plan.
