B. Background:

The project area is the area of jurisdiction of Chief Albert Luthuli Municipality
1. **Project Objectives**

The main objective for the project is to service and maintain municipal servers,Cisco switches, ups and generator as and when required for Chief Albert Luthuli Municipality.

2. **Scope of Works/Deliverables**

The consulting service required is split into the following stages:

- **Areas of focus will be as follows:**
  1. **Incident Management**
     All incidents relating to all services in scope must be logged with the helpdesk and the service provider will ensure resolution with minimum impact to the users. Incident Management concentrates on restoring the service to users as quickly as possible, in order to minimize business impact.

  2. **Problem Management**
     The service provider must have a support team with required expertise to support the specific environment, including systems and applications that are vital to the successful running of the specified area within the limitation of hardware and software.
     The following activities are in scope:
     - Fault diagnosis, testing and replacing of faulty hardware where necessary
     - Basic application functionality testing

  3. **Change Management**
     All changes must be handled through the municipality change process and relevant documentation to be completed for each change.

  4. **Configuration Management**
     Configuration Management ensures that selected components of a complete service, system or product (the configuration) are identified, base lined and maintained and that changes to them are controlled.
     The service provider shall load patches and upgrades as per management of change

  5. **Availability Management**
     The service provider shall be responsible to monitor system uptime and provide report of system uptime statistics in a performance management meeting to be held with the municipality.

  6. **Capacity Management**
     As part of monitoring support, the service provider must ensure that current and future capacity is planned in a cost effective manner.

  7. **IT Service Continuity (Disaster Recovery)**
     This service is classified as less critical to business and therefore recovery of the system will follow after critical systems have been recovered.

  8. **Server Support (Hardware and Operating system)**
     The service provider shall provide support for configuration of server hardware and software.

  9. **Backup and Restore Management**
     The service provider shall ensure that backups of relevant systems are performed

The scope of server support for ALM ICT is listed in the table below:

10. **Virtual Servers Design**

1.4 Failure on the part of a bidder to fill in and/or to sign this form may be interpreted to mean that preference points are not claimed.

1.5 Council reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the seller.

2. GENERAL DEFINITIONS

2.1 “Acceptable bid” means any bid which, in all respects, complies with the specifications and conditions of bid as set out in the bid document.

2.2 “Bid” means a written offer in a prescribed or stipulated form in response to an invitation by an organ of state for the provision of goods, works or services.

2.3 “Comparative price” means the price after the factors of a non-firm price and all unconditional discounts that can be utilized have been taken into consideration.

2.4 “Consortium or joint venture” means an association of persons for the purpose of combining their expertise, property, capital, efforts, skills and knowledge in an activity for the execution of a contract.

2.5 “Contract” means the agreement that results from the acceptance of a bid by an organ of state.

2.6 “Specific contract participation goals” means the goals as stipulated in the Preferential Procurement Regulations 2001.

2.6.1 In addition to above-mentioned goals, the Regulations [12.(1)] also make provision for organs of state to give particular consideration to procuring locally manufactured products.

2.7 “Control” means the possession and exercise of legal authority and power to manage the assets, goodwill and daily operations of a business and the active and continuous exercise of appropriate managerial authority and power in determining the policies and directing the operations of the business.

2.8 “Disability” means, in respect of a person, a permanent impairment of a physical, intellectual, or sensory function, which results in restricted, or lack of, ability to perform an activity in the manner, or within the range, considered normal for a human being.

2.9 “Equity Ownership” means the percentage ownership and control, exercised by individuals within an enterprise.

2.10 “Historically Disadvantaged Individual (HDI)” means a South African citizen

(1) who, due to the apartheid policy that had been in place, had no franchise in national elections prior to the introduction of the Constitution of the Republic of South Africa, 1983 (Act No 110 of 1983) or the Constitution of the Republic of South Africa, 1993, (Act No 200of 1993) (“the interim Constitution); and/or

(2) who is a female; and/or
(3) who has a disability:

provided that a person who obtained South African citizenship on or after the coming to effect of the Interim Constitution, is deemed not to be a HDI;

2.11 “Management” means an activity inclusive of control and performed on a daily basis, by any person who is a principal executive officer of the company, by whatever name that person may be designated, and whether or not that person is a director.

2.12 “Owned” means having all the customary elements of ownership, including the right of decision-making and sharing all the risks and profits commensurate with the degree of ownership interests as demonstrated by an examination of the substance, rather than the form of ownership arrangements.

2.13 “Person” includes reference to a juristic person.

2.14 “Rand value” means the total estimated value of a contract in Rand denomination that is calculated at the time of bid invitations and includes all applicable taxes and excise duties.

2.15 “Small, Medium and Micro Enterprises (SMMEs) bears the same meaning assigned to this expression in the National Small Business Act, 1996 (No 102 of 1996).

2.16 “Sub-contracting” means the primary contractor’s assigning or leasing or making out work to, or employing another person to support such primary contractor in the execution of part of a project in terms of the contract.

2.17 “Trust” means the arrangement through which the property of one person is made over or bequeathed to a trustee to administer such property for the benefit of another person.

2.18 “Trustee” means any person, including the founder of a trust, to whom property is bequeathed in order for such property to be administered for the benefit of another person.

3. ESTABLISHMENT OF HDI EQUITY OWNERSHIP IN AN ENTERPRISE

3.1 Equity ownership shall be equated to the percentage of an enterprise which is owned by individuals classified as HDIs, or in the case of a company, the percentage shares that are owned by individuals classified as HDIs, who are actively involved in the management and daily business operations of the enterprise and exercise control over the enterprise, commensurate with their degree of ownership.

3.2 Where individuals are not actively involved in the management and daily business operations and do not exercise control over the enterprise commensurate with their degree of ownership, equity ownership may not be claimed.

4. ADJUDICATION USING A POINT SYSTEM

4.1 The bidder obtaining the highest number of points will be awarded the contract.

4.2 Preference points shall be calculated after prices have been brought to a comparative basis.

4.3 Points scored will be rounded off to 2 decimal places.

4.4 In the event of equal points scored, the bid will be awarded to the bidder scoring the highest number of points for specified goals.

5. POINTS AWARDED FOR PRICE

5.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:
\[ P_s = 80 \left( 1 - \frac{P_t - P_{\text{min}}}{P_{\text{min}}} \right) \quad \text{or} \quad P_s = 90 \left( 1 - \frac{P_t - P_{\text{min}}}{P_{\text{min}}} \right) \]

\begin{align*}
\text{Ps} & \quad = \quad \text{Points scored for price of bid under consideration} \\
\text{Pt} & \quad = \quad \text{Rand value of bid under consideration} \\
\text{Pmin} & \quad = \quad \text{Rand value of lowest acceptable bid}
\end{align*}

CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Municipality / Municipal Entity)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of: ___________________________ that:

(Name of Bidder)

1. I have read and I understand the contents of this Certificate;

2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;

3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;

4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;

5. For the purposes of this Certificate and the accompanying bid, I understand that the word “competitor” shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:

   a) has been requested to submit a bid in response to this bid invitation;
   b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
   c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium1 will not be construed as collusive bidding.

7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:

   a) prices;
   b) geographical area where product or service will be rendered (market allocation)
   c) methods, factors or formulas used to calculate prices;
d) the intention or decision to submit or not to submit, a bid;
e) the submission of a bid which does not meet the specifications and conditions of the bid; or
f) bidding with the intention not to win the bid.

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.
